WACO FAMILY MEDICINE

Serve the underserved with like-minded people! Waco Family Medicine is a large Federally Qualified Health Center in Central Texas with 15 locations offering a wide range of services.

We pride ourselves on a strong commitment to equitable, evidence-based holistic medical, dental and behavioral healthcare. Our community health center is a designated Patient Centered Medical Home, coordinating a robust collaborative of community health partnership (wellness center, prescription produce program, teaching kitchen, medical legal partnership). In addition to in-house pharmacy, WFM provides a sizeable network of in-house specialty service clinics (HIV, Hep C, Sports Medicine, Surgery, Cardiology, Rheumatology, Dermatology, Wound Care). Through these various programs, we offer comprehensive, affordable primary care to patients across a broad range of demographics. Our passion is to facilitate whole person health and wellness for our patients and community.

We are seeking candidates whose professional goals are to achieve equitable health outcomes. Our patient population of 60,000 patients is 24% African American, 43% Latin American with 20% Spanish-speaking.

We are also deeply committed to the health and well-being of our clinicians and staff. We are focused on reducing burnout, fostering joy in work, and building community and resilience throughout our system and across departments. We work actively to foster a culture of innovation and collaboration and are eager to welcome new staff who share our vision and our goals.
